PROFESSIONAL SUMMARY

Hands-on Web Developer, DevOps Engineer & Cloud System Architect with years of experience (7yrs+). **Certified** by Amazon Web Services (AWS-ASA-32677).

EMPLOYMENT HISTORY

Apr. 2023 – Present
BGC Taguig City,
Philippines

Senior DevOps Engineer

Jul. 2020 – 2023
Taguig City,
Philippines

DevOps Engineer

As a "**DevOps Engineer**" I'm responsible handling continues integration & delivery pipelines for the company IT teams. And at the same time I'm handling the planning, architecting & monitoring of the company cloud-based infrastructure. I'm currently **expert** at **Amazon Web Services (AWS) - Solutions Architect Certification**. In addition to the DevOps Core functions, I also handled a small Backend Team for delivering short sprint releases that are planned between my team and the product owners. And lastly, I have a broad experience in integrating large and well known E-Commerce Web Services such as Amadeus Web Services(Europe, Middle East), Navitaire E-Commerce Platform, Flight Global API's and many more..

Sep. 2016 – Jul. 2019
